ACTION

- 3 Minutes of the Meeting of the Wilberfoss Parish Council held on 17th April 2014 were signed off as a true record.

- 4 The Council was notified that Planning Application 14/00780 from Mr C Askham had been granted.

The Council considered Planning Application 14/01182 from Mr Nick Olley for the erection of a new sunroom, dining room and kitchen following park demolition of outbuildings at Red House, 31 Main Street, Wilberfoss and had no observations to make.

The Council considered Planning Application 14/01246 from Mr Neil Hallewell for the erection of a single storey extension to front and garage to side and alterations to dwelling following demolition of existing garage at Briardene, 6 Butts Lane, Wilberfoss and had no observations to make.

- 5 District Councillor Lane had nothing to report that affected the residents of Wilberfoss.

- 6 The Clerk confirmed there had been no urgent decisions taken over the last month.

- 7 The Clerk was still chasing quotes for the War Memorial maintenance.

Councillor Armstrong reported that he had met with members of the East Riding of Yorkshire Council and two sites had been identified as suitable to install a bus shelter (Pocklington bound on Main Street opposite Willow Park Road and the bottom of Wilberfoss Hill). The Council agreed to commit £4,500 to the project in the hope additional funds may be available through the East Riding of Yorkshire Council. Councillor Armstrong agreed to make further enquiries of bus shelter providers and report back at next month's meeting.

- 8 **Environment & Community Matters**

The next flag flying days are 2nd, 10th and 14th June and Councillor Armstrong has agreed to raise the Union flag on each occasion.

The Council postponed the discussion about the provision of funds towards a boules piste until clearer details can be provided.

The Clerk reported that her enquiries suggest that the whole of Wilberfoss can benefit from Fibre Optic Broadband.

Details of the most recent payment from the Recycle Credit Scheme would be notified through Facebook/Website and the Newsletter. Additionally, the Clerk was asked to enquire about the positioning of the Council's news in brief report in the monthly Newsletter.

It was acknowledged that the recent grass cutting by East Riding of Yorkshire Council had been poor and the Clerk was asked to arrange a meeting with those responsible. Some areas had been cut badly, some not at all and Becksides was cut which is the responsibility of Acer Garden Services. The Clerk advised that Acer Garden Services have volunteered to cut Park Lane/Storking Lane if the bulbs are ready to allow this. The Chairman asked the Clerk to request whether, as a gesture of goodwill, Acer Garden Services would cut back the hedge that is obscuring the Main Street sign at the bottom of Wilberfoss Hill.
